Target 4.7 Roadmap
Rilli Lappalainen - Fingo and Chair of the Bridge 47 Steering Group
Envision 4.7 Event

Brought together 200 transformative education practitioners, civil servants, academics and civil society representative from 54 countries around the world, to create a collaborative policy Roadmap for the implementation of Target 4.7 in Europe.
The Roadmap features 17 recommendations and considerations, which can be summarised under 6 key chapters:

2.1. Transformative Education for Target 4.7
2.2. Recognition of the value of life-long learning supported through formal, non-formal and informal education
2.3. Cross-sectoral Cooperation
2.4. Indicators for 4.7
2.5. Competencies for 4.7
2.6. Resources for 4.7
The contributions of transformative education to SDG target 4.7

Link between personal development and transformative education.

We don't know it all.

Systemic change.

Focus on the process and not the end result.

BRIDGE 47
Next steps for Bridge 47

• Analysing the EU advocacy mapping and making further plans
• Having conversations with all relevant stakeholders
• Most international events, such as UNESCO ESD 2030 and EDD’s are postponed
• Warmly encourage everyone to have conversations at national and organisational levels on how to incorporate ideas from the roadmap.
• The Bridge 47 Network will continue working on these topics.

EU policies supporting SDG 4.7

Mapping presented by Andreia Oliveira and Elena Zacharenko
Webinar on "Envisioning more 4.7"
26 March 2020
Concept & structure of the mapping

- VDL Commission priorities – how do they fit with Agenda 2030?
- Going beyond the low hanging fruit – how can 4.7 be promoted outside of ‘obvious’ policy areas?
- Prioritising focus: high – medium – low
- Comprehensive approach to advocacy – suggestions for target policy makers in different institutions
